EDUCATION

Vellore Institute of Technology B.Tech. CSE CGPA: 8.94	(Expected 2026)
Shri Gulab Rai Montessori Sr. Sec. School Higher Secondary CGPA: 9.73	(June 2022)
Shri Gulab Rai Montessori Sr. Sec. School Matriculation CGPA: 9.81	(July 2020)

SKILLS

- **Languages:** Java, SQL, Python.
- **Web Technologies & Frameworks:** HTML5, CSS, Django, Familiar with JavaScript, MERN Full Stack.
- **Tools & Platforms:** GitHub, MS Office Suite, IntelliJ IDEA, Familiar with AWS Cloud Solutions.
- **Core Competencies:** Data Structures & Algorithms, Object-Oriented Programming System, Problem-Solving.

PROJECTS

CropGuard	(Oct, 2024 – April 2025)
• Engineered a deep learning web application employing Python and Django to identify crop diseases from leaf images, enabling early diagnosis, and targeted to minimize the loss of crops by an estimated 35-40%. • Designed a fully responsive user interface utilizing HTML5 and CSS, achieving a decent cross-device compatibility rate, and improving user engagement and responsiveness. • Integrated a Convolutional Neural Network model into the Django backend to enable image analysis and real-time crop disease prediction with 97% accuracy, enhancing the reliability and speed of diagnosis. • Implemented a seamless workflow within the Django framework for handling image uploads, executing model inference, and rendering prediction results, streamlining the user experience, and minimizing latency.	

RATIONSEVA	(Feb, 2024 – May 2024)
• Transitioned the organization to a fully digital ration distribution system by developing an intuitive online interface, resulting in improved efficiency and security while enhancing accessibility for multiple users. • Implemented a faster and more reliable digital ration system, reducing labor and overhead costs by an estimated 45% through automation and process optimization while ensuring scalability and real-time tracking. • Partnered with cross-functional teams, including developers and management, to analyze project success metrics; identified 3 key areas for improvement that led to enhanced user satisfaction rates across the platform. • Created a robust digital solution using Python and Django, designed to ensure seamless performance and high availability for concurrent users, even under peak-load environments.	

ACHIEVEMENTS AND EXTRA-CURRICULARS

ACHIEVEMENT

- Secured a finalist position in HackVega, a nationwide hackathon, demonstrating acute critical thinking and rapid prototyping skills under pressure.
- Secured an 'A' Grade with a score of 90% in the AWS Solutions Architect - Associate Certification Program from Ethnus, showcasing proficiency in cloud solutions.
- Achieved an 'A' Grade with a score of 93% in the MERN Full Stack Certification Program from Ethnus, in association with VIT University.

EXTRA-CURRICULAR

National Service Scheme, VIT Bhopal University

- Spearheaded planning for women's empowerment events during "International Women's Day," resulting in increased local participation and heightened awareness of gender equality issues among villagers.
- Impacted the residents with a skit that promoted gender equality and social change by bringing attention to women's rights, equality, and empowerment.

ADDITIONAL INFORMATION

- **Interests:** Gaming, Football, Motorsports Racing, R&B Music, Tech Trendy.
- **Languages:** English (Professional working proficiency), Hindi, and Punjabi (Native or bilingual proficiency).
